*The whole song is just the E chord*

Joe Joe,  
Ji Ji Joe Joe Joe  
You should have been with us this Halloween; it was just your scene.  
All dressed up we took the streets, like a pack of creeps

Joe oe oe  
We drank concoctions, howled at the moon, dance in the cemetery 'round the tombs,  
slurped some soup from eye of newt, and hoped you were having a haunted Halloween!  
Hoped you were having a haunted Halloween (extreme falsetto)

Joe Joe,  
Ji Ji Joe Joe Joe  
We rode our bikes down to the bay, what a spooky day  
Sun went down, as day turned night, saw ghastly sights

Joe oe oe  
We drank concoctions, howled at the moon, dance in the cemetery 'round the tombs,  
slurped some soup from eye of newt, and hoped you were having a haunted Halloween!  
Hoped you were having a haunted Halloween (extreme falsetto)

Joe Joe,  
Ji Ji Joe Joe Joe  
King Robot played, those robots rocked, electric shocked  
Loonies loomed in the dark barn, not safe from harm

Joe oe oe  
We drank concoctions, howled at the moon, dance in the cemetery 'round the tombs,  
slurped some soup from eye of newt, and hoped you were having a haunted Halloween!  
Hoped you were having a haunted Halloween (extreme falsetto)

Joe Joe,  
Ji Ji Joe Joe Joe  
Ghouls and monsters were our friends where the city ends  
Scary but we all survived, we're still a live

Joe oe oe  
We drank concoctions, howled at the moon, dance in the cemetery 'round the tombs,  
slurped some soup from eye of newt, and hoped you were having a haunted Halloween!  
Hoped you were having a haunted Halloween (extreme falsetto)
