

Something Sweet for Halloween

am dm E am
These are scary times we're living in, and it appears the bad guys have begun to win
dm E am G7
So I'm not gonna be adding to the fear, I'm gonna be something sweet for Halloween this year

C am
I could be a unicorn with a rainbow mane, or the brilliant story teller we all love, Mark Twain
dm G G7
Or Shiner Butterfly with iridescent wings, I got some great ideas for sweet funny cuddly things

C am
I may be a happy jack-o-lantern round and plump, or a gum-ball machine with every color gum
dm G G7
I might be Robin Hood looking out for the poor, or a noble super-hero here to settle the score

F fm C C7
Cause this old world is scary enough without all the blood and guts and gory stuff
F fm C G7
So I'll leave the horrors to the authorities, this Halloween I'm gonna be something sweet

C am
A railroad engineer is tried and true, anybody from the funnies will surely do
dm G G7
I could be a fluffy bunny you just wanna hug, or a smiley sweet spotted little lady bug

C am
I've always dug Sherlock Holmes the lovable sleuth, and every silly character by Dr. Sues
dm G G7
Papa Smurf, now he's one righteous dude, or I could be some candy corn or any other sweet food

F fm C C7
Cause this old world is scary enough without all the blood and guts and gory stuff
F fm C G7
So I'll leave the horrors to the authorities, this Halloween I'm gonna be something sweet
