intro

am E am E am E
I've got a monster in me and every Halloween I let her out, all claws and snout
am E am E am E
The rest of the year she disappears, but not now she's on the prowl
am E am E am E
She's a fearsome beast and she's been unleashed so beware, she's on a tear
am E am E am E
The monster in me has been set free, see what mean means this Halloween

dm am E am
I know you've got a monster inside you. I've seen your beast rage a time or two.
dm am E E7
Maybe our monsters can be best fiends and we'll terrorize together this Halloween.

am E am E am E
If your restraints have been unchained lets hear you yowl, let's hear you growl
am E am E am E
Classic Jekyll and Hyde, let your dark side shine let's hear you hiss, lets' hear you howl
am E am E am E
Our monsters can hang if you bear your fangs let's hear you snort, let's hear you roar
am E am E am E
This Halloween let's release our beasts, let's make 'em shriek, lets make 'em scream!

dm am E am
I know you've got a monster inside you. I've seen your beast rage a time or two.
dm am E E7
Maybe our monsters can be best fiends and we'll terrorize together this Halloween.
